## — ENERGY-EFFICIENT LIGHTING FOR PARKING GARAGES

The PGA LED luminaire ensures that visitors can easily find their way in your parking garage. This energy-efficient surface-mount luminaire always provides optimum lighting where needed, giving users a safe and secure feeling. The PGA uniformly projects light into the farthest corners. In addition, the luminaire is dust-tight and waterproof, so you are guaranteed good lighting in your parking garage for many years. In addition to use as parking garage lighting, the PGA luminaire is also ideal for industrial buildings and technical rooms.
